- **Calculate Your Material Handling—*Ongoing***

This year, G2E is making it easier to simplify your material handling expenses. Previously, material handling was processed by the hundredweight (CWT) with a 200 pound minimum per shipment, with up to 12 different material handling rates. The new “Per Pound Model” rate bills by the exact weight of any package or freight at the rate of \$0.94 per pound. The rate for slot machines is \$0.72 per pound. These rates when translated from a CWT remain flat no increase over 2018 material handling rates for standard freight and represents a decrease of slot machine freight of \$0.06 per pound.
