2020 | VIRTUAL EVENT
OCTOBER 27-28

As the industry continues to responsibly reopen and recover, Global Gaming Expo (G2E) is here to help bring the industry together with the benefits of a live event directly to you, on your schedule. Create a virtual showroom to display products and technologies, manage and run in-platform video meetings with potential buyers, generate quality leads through product recommendations, and set your own agenda to attend G2E education and networking events.

EXHIBITOR VIRTUAL SHOWROOM

- Display your products and technology using photos or video in a searchable directory in your Virtual Showroom. Each showroom features up to ten (10) products with up to five (5) photos and one (1) video per product. Additional product listings are available for purchase.
- Targeted recommendations put your brand directly in front of interested gaming professionals. The more products you feature, the more opportunity to be recommended to attendees.
- Manage, schedule, and run virtual meetings directly in the platform, at your convenience.
- Use Lead Retrieval in your dashboard revealing interactions with your profile and products. Follow-up directly with users who view and “favorite” your content, while tracking meeting requests.
- Access to the virtual event for up to 6 team members. This includes all keynotes, concurrent education sessions, and networking events.
