### **VERY IMPORTANT INFORMATION**

#### **DISPLAY AND MARKETING OF GAMING DEVICES BY UNLICENSE ENTITIES/EXHIBITORS:**

Per the Gaming Control Board, 702-486-2156 and their website ([www.gaming.nv.gov](http://www.gaming.nv.gov)). The Gaming Regulations for unlicensed manufacturers and distributors, not unlicensed games, are listed below

1. An unlicensed manufacturer or distributor may display and market their respective gaming devices at organized gaming shows and exhibitions within Nevada.
2. An unlicensed manufacturer or distributor shall not:
  - a. Enter into contractual agreements for the sale of, nor accept orders for, their gaming devices at such organized gaming shows and exhibitions; or

---

**ADA** – All exhibiting companies are required to be in compliance with the Americans with Disabilities Act (ADA), and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line (800) 514-0301, and from the ADA website at [www.ada.gov](http://www.ada.gov). Some examples of how to design an exhibit for ADA compliance:

- Make exhibits wheelchair accessible by ramping raised exhibit flooring without extending a ramp into the aisle. Note: a standard wheelchair ramp should have a grade no steeper than 1:12. This means that for every inch of rise (change in height), there should be 12 inches of run (change in length)
- Ramp the entry or use hydraulic lifts to trailer exhibits
- Avoid double-padded plush carpet to ease mobility device navigation
- Provide the same attendee experience on both levels of a two-story exhibit
- Offer a signer or other auxiliary hearing-impaired apparatus for sound presentations or have a printed copy of the presentation available
- Run an audio presentation for people with sight problems
- Arrange touch screen displays at a height to accommodate a person sitting in a wheelchair

To avoid heavy fines by the U. S. Department of Justice, exhibitors must adhere to the ADA rules. Exhibits are not exempt from ADA compliance.

---

**AGE RESTRICTIONS** - In accordance with display rules and regulations and security measures, **no one under the age of 18 will be admitted in the exhibit hall at any time, except as required by law.** There will be no exceptions.
